

October 23, 2011 CPTA meeting Minutes

**Sonshine Committee** – The Sonshine Committee help with the relationships for parents, children and teachers within the school. Below is an example of some of the things this committee does

- Sends Birthday cards to students, teachers and families
- Sends Congratulations or Sympathy cards for a passing in the family, a birth or special events to help families know that we are here if needed.
- Organizes meals for new families or mothers
- Organizes and helps with Meals for family passing
- We are looking to put together a list of people that would be willing to prepare meals in times of need. We would like to make this list as large as possible to help spread the help.
- The preparation would be for something that a family may be able to put in the over directly so that they don't have to worry about preparing a meal. I.e. new mother that has just given birth.

The Sonshine committee is always looking for volunteers so please contact the CPTA for information on how to help.

**Social Media** – Mt. Calvary School has a Facebook page. If you currently are a Facebook user you can search for Mt Calvary School and click like. This will allow you to communicate with other family members, CPTA members or group members for general information, events, or feedback you would like to provide if you aren't able to make CPTA meetings.

- For the sake of Privacy we will **not** be putting pictures of the kids on the page
- We ask if you have a suggestion about how the page is secured or displayed to please notify us ASAP so we can make the appropriate changes.

**Home Interior Candle Sale** – The Home interior Candle Fundraiser has been completed and orders have been delivered or are in process of being delivered. As a school we were able to raise about 1000 dollars.

Restaurant Event for Missions – Tara Wells presented on our options for additional fundraiser options for the school. Papa Murphy's Pizza offers the ability to get 15% of the entire day's sale. Right now we would use the Neenah location based on the suggestion from the regional manager.

- If parents can't drive to Neenah we would be able to use the Kaukauna location for pre-orders.

- They would like use to have some volunteers to help. We would get a quick training course on how to help and make pizzas. These volunteers can be teachers, parents, pastors, etc.
- We are looking into heavier nights such as November 14<sup>th</sup> (Monday night Football Packers vs. Vikings) or November 23<sup>rd</sup> as options but we are open to suggestions.
- Papa Murphy's also does script so this would allow you to not only help raise money but allow you to get some tuition dollars as well.

**Family Night** – Family night was held on Sunday October 26<sup>th</sup> and was great success we were able to hear stories from different families about their times in different countries, had a great dinner and the kids made paper airplanes and crafts.

#### **Parents Day –**

- Parents day will be on November 9<sup>th</sup>
- This day you are able to come in and sit with your child and understand what their school day is like.

#### **Gift Bags –**

- The CPTA in the past has always provided gift bags to the children for the Christmas program when we are done.
- These bags consist of a possible craft and treats
- We are looking for volunteers to help assemble these bags so please contact us if you can volunteer and get more information.
- 

#### **Caroling and Baked Goods**

- December 9<sup>th</sup> the kids will be caroling in different areas
- We are looking for drivers to help transport the kids to their areas
- Please contact the CPTA if you are able to help
- We thought about making some crafts and baked goods for the kids to hand out to the places to go. These ideas were things like door hangers, baked goods, or some sort of art project.
